

8.4 **The RUC SB blamed** the FRU and vice versa. Both sides cannot be telling the truth in this critically important matter. Either the FRU were permitting the killing of certain targeted individuals to go ahead at the hands of the Ulster Defence Association (UDA) by not passing the information on to the RUC SB, or the SB, having received the required information from the FRU, were failing through negligence or design to take the necessary steps to save lives.
